SPRINGFIELD MONTHLY MEETING

MEMBERSHIP

WAYNE COUNTY, INDIANA

There are five volumes of membership records for Springfield Monthly Meeting in which the dates of use are unclear. They are bound individually but cataloged together as volumes 1-5, but the numbering does not indicate a sequence or chronology.

Allen County Public Library
900 Webster Street
PO Box 2270
Fort Wayne, IN 46801-2270

The image shows the front cover of an old book. The cover is decorated with a marbled paper pattern consisting of repeating, overlapping, teardrop or 'combed' shapes in dark and light tones. The paper is heavily worn, with significant areas of the marbled surface missing, particularly in the center and lower half, revealing a lighter, textured material underneath. A small, rectangular white paper label is affixed to the upper-middle section of the cover. The label has handwritten text in dark ink. The left edge of the book shows the spine, which is dark and appears to be made of a different material, possibly leather or cloth, and shows signs of wear and binding structure.
